

2023 CDM Annual Workshop

Icebreaker]

1. Start with the first question on your current table
2. Discuss your answer with your table
3. 2-3 minutes per question
4. Half the table (every second person) get up and change tables
5. Discuss the next question at your new table
6. Repeat

Does tomato sauce/ketchup go in the fridge or cupboard?

How would you describe your job to a five year old?

What do you listen to when you are alone in the car?

What is your favourite particle?

What is your favourite part of your research/job?

Who is your favourite scientist?

What is your favourite thing to do to have fun
and relax?

What is one thing you look forward to in your role?
